On behalf of the Beaufort County Board of Education, I welcome you to the 2022-2023 school year. I am excited to share that Beaufort County Schools is committed to providing a world-class education for all students through dynamic instruction provided by a tremendous core of professional educators. The teachers and school staff are excited and ready to engage your student(s) in challenging and rigorous ways to ensure all students grow and advance throughout the school year.

Please welcome our veteran and new teachers to an exciting year of teaching and learning. The teachers and administrative teams are ready to provide an educational experience that is purposeful for all students. Although our “normal” has changed over the last two years, there remains great intention for all students to attain the skill sets and content that ultimately equips them for life after high school.

I am confident that as Beaufort County Schools teachers work throughout the school year, they will develop and implement new learning strategies to ensure that all students master a thought-filled curriculum. This means that students will have daily lessons that will stretch them to think and reason. Please continue to engage your student(s) in their daily learning. Talk with them about their successes, challenges, and feelings. It is extremely important that we recognize and address any challenges students and families face throughout the school year.

As the school year starts and progresses, I encourage all parents to support their children's learning at school and at home. Please continue to connect with teachers, administrators, and counselors to identify both areas of success and concern that may need greater attention. Additionally, please demonstrate a positive attitude about teaching and learning, athletics, extra-curricular activities, and community engagement with your children. Please encourage your student(s) to be invested in their learning and involved in the opportunities school provides to them. Always remember the importance of reading every day with your student(s) while spending time together.

Thank you for your continued interest and support of Beaufort County Schools. We continue to feel the love and support from our families, business partners, and community. Together, we will have a remarkable school year.

Sincerely,

Dr. Matthew Cheeseman

Erin Ruyle

Welcome to Washington!

Whether you are visiting for the first time or trying to decide if this will be your new home I want to personally welcome you to our quaint, waterfront town. We are so glad you chose our town as a place to visit or relocate. As the director of the Chamber for over 15 years, I have watched Washington and Beaufort County emerge into a place where commerce is thriving and businesses are a vital piece to the personality of Washington. Each of our businesses have a story to tell and we offer a unique shopping district with restaurants, art galleries, retail and more. Our entrepreneurs make us special and each one contributes to the success of our town and region.

As a native of Washington I have been proud to watch the progress in our business community. I encourage you to visit our wonderful stores and get to know the owners. They are our biggest

advocates of the area and have embraced Washington, its past and the future.

Visit all of our towns in Beaufort County as they each have unique shops and restaurants. We often hear that it is the people that make our town unique. I would agree. Our people are extraordinary, and we hope that you enjoy meeting them and perhaps decide you want to be a part of our community. Either way we welcome you with a big "Hey Y'all" and we are glad you are here.

INSIDER TIPS

Keep an eye out for quick tips from locals and frequent visitors that will elevate your experience while visiting Beaufort County.

A Tideland Energy Cooperative

Tideland EMC

Real People. Real Power.

We have the blueprints for an energy efficient home.

Air leaks in your home can be hidden in walls, floors, basements and attics, or in your ducts. According to the U.S. Department of Energy, around 30% of heated or cooled air never reaches you. Instead, it leaks behind walls and out the attic or basement. Leaks cost you money on electric bills, and they make you uncomfortable.

Our energy auditors start with a survey to determine observations, behaviors, needs, and desires of the homeowner.

If you don't test, it's just a guess. We look at your home as a system with each component impacting the others. We determine the needs of your unique home, and prioritize recommendations for energy savings. Our home energy audit identifies potential problems and provides access to cash rebates to help you pay for the improvements.*

If you own a home, or plan on building a residence within our service area, call Tideland EMC and get started with a **FREE** energy audit today!

VISIT BEAUFORT COUNTY

See St Thomas Episcopal Church, the oldest church building in the state. Stroll the waterfront at Bonner's Point. Grab a hot dog or an old fashioned cheeseburger at one of the local grills.

Learn about the notorious pirate, Blackbeard, at the Historic Bath Site Visitor Center and Exhibit Hall. Call one of many local Captains to charter a relaxing boat ride or a fishing excursion. Finish your day with dinner at one of Bath's restaurants with a cold one in North Carolina's oldest town.

Take a delightful ride on the Bayview Ferry on the east side of Bath to Aurora. A large phosphate mine in the area gives both paleontologists and fossil enthusiasts a unique opportunity to collect and study fossils from prehistoric times. The Aurora Fossil Museum, located in town, includes a wide variety of marine fossils from the Pleistocene, Pliocene and Miocene eras, as well as Native American artifacts from the area. For lunch, savor a shrimp basket and a piece of lemon meringue pie from a nearby restaurant.

Stay at a local motel or airbnb. In the morning, head over to Cypress Landing to experience golf at its finest, a warm and welcoming environment. Enjoy a delicious lunch at a local eatery. For afternoon entertainment, try your hand at a friendly game of paintball or have fun at the local skating rink. For dinner, delicious Asian cuisine, or some down home country cookin' from a local deli.

INSIDER TIP

So many of the Downtown restaurants and shops are pet friendly! They have fresh water and treats for your family pet! We also have a free dog park. — Rebecca C.

BELHAVEN

Located on the intercoastal waterway, you can wake up at your leisure and enjoy a nice breakfast at one of our B&B's..or have breakfast at a local diner.

With a rich cultural heritage that spans over two centuries, Belhaven is home to eclectic shops and boutiques each offering a wide range of items, antiques, and curiosities that can't be found anywhere else. While shopping take notice of the architecture of the buildings.

There are several restaurants in the downtown area open for lunch. You can find everything from country cooking to fresh seafood and a "beef sandwich".

Tour the Belhaven Museum, open every day 1-5 p.m., except Wednesdays and Sundays. It's like no other museum you've ever seen! Experience the beauty and natural resources of the Pungo River/Pamlico Sound on a local charter boat or fishing venture.

Drop by the Chamber office (open Tuesday-Friday 10 am until 4 pm) and pick up your Tour of History and Trivia flyer.

Dine in one of Belhaven's fine downtown restaurants.

With a population of less than 200 people, Pantego is Beaufort County's smallest incorporated town, but it's got plenty of charm. The town sits on Pantego Creek, a tributary of the Pungo River, and is home of the Pantego Academy Museum, where the rural eastern North Carolina way of life has been preserved. In town, there's a community park; just out of town, there's Terra Ceia Farms, world-famous for its tulip and peony bulbs that bloom in the spring.

PANTEGO

SHOPPING

We've been told our windows encourage shopping, and, what can we say, we have a thing for retail therapy. In need of the perfect present for that no-so-easy-to-shop-for friend or planning to give yourself a pat on the back in the form of something trendy and new? You'll find just what you were looking for — and maybe a few things you weren't — at one of the many locally owned boutiques, shops and galleries around town.

DINING

After strolling through the streets of our town, you've likely worked up quite an appetite! Well you're in luck, because our town is home to some of the region's most revered, and delicious eateries. Downtown, you'll find everything from authentic Southern cuisine, farm-to-table fare, seafood and more! We've found that visitors are prone to falling in love at first bite.

For a complete dining guide, go to visitwashingtonnc.com.

Stop by the Washington Visitor's Center for a directory of local merchants.

Whether it's a waterfront music festival or a night at the historic Turnage Theatre, you'll fill your trip with can't-miss moments to remember. INSIDER TIP

As an outsider, make it a full week to explore. We came only for a couple nights in February and it wasn't nearly long enough. We missed the Hackney and Bill's on Gladden Street along with the Underground Railroad museum. Grub Brothers and Down on Main kept us fueled from the walking tour and the absolutely beautiful boardwalk and waterfront strolls along with all the great little shops along West Main. On our way out of town we stopped at Bill's at Washington Square Mall and also grabbed some cheese biscuits at Mom's Grill. The Estuarium is a must as well. On second thought, two days was long enough to know we will be back for some warmer nights when the waterfront is full of people. - Ed C.

EXPLORE THE ESTUARIUM

Visit the world's first estuarium and one of North Carolina's most innovative environmental centers. The North Carolina Estuarium is an iconic landmark and museum in the heart of our downtown.

TAKE IN RICH HISTORY

The best way to see Washington is on foot. Take one of our self guided audio tours or cruise by haunted homes and graveyards on Washington's guided Historic Ghost Walks. With the Historic District's rich culture, there is plenty to see while you stroll within a few minutes of Washington's Visitor Information Center.

PLAY YOUR ART OUT

Washington isn't a city that just likes art. We LOVE art. The Arts of the Pamlico (AOP) is a vibrant hub of arts & cultural events & activities for adults and youth serving Eastern North Carolina. The Historic Turnage Theatre adds to the City's already strong presence of rich history and entertainment and hosts concerts, plays and comedy shows.

EAT EVERYTHING

As one of Eastern North Carolina's most dynamic foodie destinations, Washington's culinary scene is cook'n! From fresh caught seafood, to make from scratch Southern cuisine, to locally owned favorites, you're sure to be left full, happy, and ready for a nap by the water.

GET MOVING AT GOOSE CREEK STATE PARK

The eight miles of trails at Goose Creek State Park lead visitors through a broad range of coastal experiences—live oaks draped in Spanish moss, wetlands along the Pamlico Sound and a cypress swamp viewed from an extensive boardwalk.

VISIT THE WASHINGTON WATERFRONT UNDERGROUND RAILROAD MUSEUM

While there's no denying the very nature of slavery carries the weight of sadness, the museum exemplifies goodness. The stories of freedom seekers and the abolitionists who helped them are full of hope, faith and the promise of a better life. The Washington Waterfront Underground Railroad Museum shares the stories of people helping people.

GO ON A CRAB HUNT

Washington's crabs have been here since 2006 and have become our iconic symbol and are located all over Beaufort County. We suggest a scavenger hunt - and of course selfies with the crabs - can you find them all?

TAKE A STROLL DOWN MAIN STREET

Main Street, located in historic downtown Washington, is home to restaurants, shops, live music and a large collection of art for sale, from Washington landscapes to stunning pottery and unique glasswork. You may even get to see some of the artists in action.

SHOP, SHOP AND THEN SHOP SOME MORE

Throughout the City, you'll find everything from a vibrant mix of unique, local boutiques to an array of top art galleries and antique shops.

BE A TOURIST

Take one of Washington's many guided or self-guided tours. Experience years of rich history at the Underground Railroad Museum, marvel at the art in the Historic Turnage Theatre, raise a glass at the Wine Crate or climb aboard a River Roving Boat Tour at the Estuarium.

Looking for more to do? Beaufort County hosts many events each year - most of them free! Check 'em out at visitwashingtonnc.com/events.

Get to know your hometown radiology provider

It used to be that radiology services were only needed when there was a health problem that required a diagnosis. But today, there is so much to radiology—including disease prevention and minimally invasive treatment.

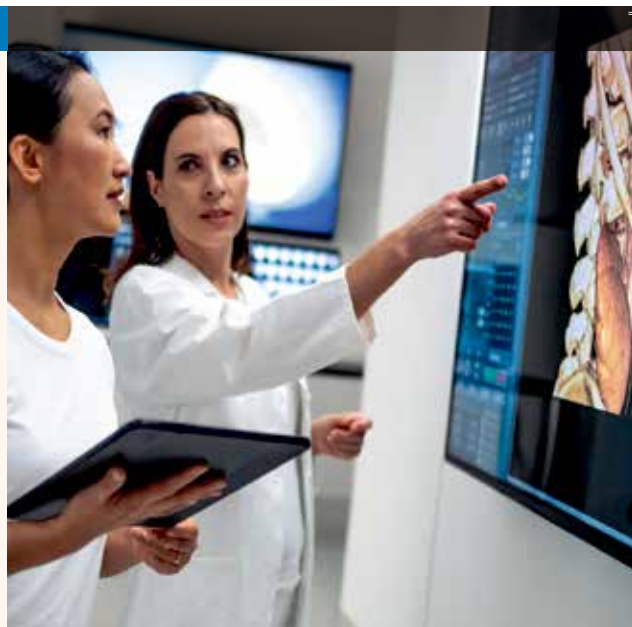

We exist to give you and your doctor options... to detect disease at an earlier, more treatable stage. Options to accurately diagnose the source of pain and other health conditions. Options to treat common health problems without the need for open surgery.

Why Eastern Radiologists? We've been serving Eastern North Carolina for more than 65 years. We offer the expertise of more than 60 board-certified and subspecialty-trained physicians serving 13 hospitals and six outpatient centers and 86 points of care. We accept most insurance and Medicare and offer competitive pricing for the uninsured. And just like you, we're an integral part of the community.

The next time you need radiology services, please keep us in mind! And if you are curious to know how the field of radiology has evolved to improve healthcare for everyone, visit easternrad.com.

Sun and breeze on your face, drink in your hand. Spend cocktail hour with one of the best river views in Washington at Mulberry House's rooftop lounge. This boutique hotel has it all: coffee shop, brewery, restaurant, and rooftop deck. For dinner, leave the decisions to the chef and opt for the six-course Chef's Tasting Menu with optional wine pairing, or tempt your palate with something from their main menu including Japanese charcoal grilled skewers and Yakitori, local crawfish, or ginger braised pork belly. You also can't go wrong ordering from their tempting list of snacks and appetizers—chorizo cheese bites and focaccia flatbread, anyone?

Day 3

STOP 21: GIDDY UP COFFEE 1 HOURS

Saddle up for your day with breakfast at Giddy Up Coffee House. Try a Western-themed specialty latte—the Buckaroo gives you a mocha with a shot of caramel while the Skinny Cowgirl corrals the calories with sugar-free flavor add-ons. Get it with a bagel and you're set for the morning. Don't forget to bring your li'l doggies, they'll be welcomed with a treat on the patio or in the drive-thru.

STOP 22: AURORA FOSSIL MUSEUM 2 HOURS

Watch out for that Megalodon! Prehistoric shark teeth, shells, coral, and other fossils are yours for the finding at the fossil pits outside of the Aurora Fossil Museum. Bring your own sand sifter and walk away with a discovery. Inside the museum learn about the unique natural history of the coastal plains of North Carolina. Explore exhibits featuring Native American artifacts, fossils of all shapes and sizes. You may even walk away with your own precious gem.

STOP 23: BILL'S HOT DOGS 1 HOURS

There's always that restaurant in small towns that's been there forever. It's a local tradition and no visit would be complete until you've been there and ordered. In Washington, that restaurant is Bill's. This place has been serving "nuclear-red" hot dogs since 1928. Bill's is takeout only: no tables, no chairs, no fuss. There are no fancy condiments, only mustard, onions, and chili. Don't even ask for ketchup. And Bill's special spicy chili is so good. Be sure to ask for your hotdog "all the way"! The all-the-way dog is served with chopped raw onions adding a peppered kick, mustard, and the signature 'top-secret' meatless white chili sauce.

STOP 24: INNER BANKS OUTFITTERS 2.5 HOURS

Most visitors to Washington are coming here to escape inboxes and schedules and to do lists. Here, doing nothing can be everything. That's why many visitors grab a kayak and head straight to the water. Paddling out on the waves is almost therapeutic. Follow the coastline or kayak over to Castle Island, home to a local brothel in the early 1900s. Along the way you may spot great blue herons or occasionally dolphins.

STOP 25: UNDERGROUND RAILROAD 1 HOURS

See the faces. Read their stories of sacrifice. Understand what it took to escape from slavery. Climb aboard the restored Seaboard Coast Line Railroad Caboose and enter a pictorial history of slavery in Washington and Beaufort County. Part of the National Park Service "Underground Railroad Network to Freedom," this small museum has a big impact.

STOP 26: HARBOR DISTRICT MARKET 1 HOURS

Downtown Washington is not the place you'll find another big box store. Around here, you can enjoy browsing through independent shops, boutiques and galleries. Start at Harbor Market District. It's home to 26 full-time vendors offering a little of everything. Pick up a few bars of handmade soap. Invest in a local landscape painting. Grab some produce from local farms. Or indulge in some local chocolates. (We won't tell anyone) You're sure to find a little piece of imagination that you can box up and take home with you.

STOP 27: WASHINGTON CRAB AND SEAFOOD SHACK 1 HOURS

If you love seafood (and by that, we mean you eat everything you see) then you are going to love the Washington Crab and Seafood Shack. Fish, shrimp, oysters, crabs, clams, and more cooked to order. Everything is freshly caught, and you can taste it. So what will it be? Low country boil, bacon wrapped sea scallops, fried oyster burger, seared tuna. Maybe a combo plate is in order.

CRABS ON THE MOVE

Can you find them all?

The 'Crabs on the Move' project started in 2006. The Pine Needles Garden Club started this venture as a way to give back to the community in Washington. The crab statues were auctioned off to different organizations and businesses at a 'Crab Ball,' a black tie event that was held at the Washington Civic Center. The money raised went to local charities. The crabs were painted and decorated by local artists, then displayed in town. At that time, the statues would be moved to different parts of town on occasion. Thus the 'Crabs on the Move' became the name of the initiative.

Project objectives included providing a marketing tool for tourism, raising money for local charities, tying in with the Estuarium's existing logo, providing an icon for tourists and locals in which to identify Beaufort County, and bringing Beaufort County's first outdoor art exhibit to life - a showcase for our local artists.

The project eventually took a new direction when they were bought by various businesses, organizations, and individuals, (many were repainted) and were placed in permanent spots throughout Washington and Beaufort County.

Here is a list of the crab statues with locations and photographs for families, individuals and other groups can use as a type of 'scavenger hunt' to find and post your pictures.

We hope you enjoy this activity while social distancing.

If we have missed a crab statue, let us know where it is, and we will add it!
